## Summer Fayre

A huge thank you to everyone who helped to make our summer fayre such a success. Special thanks goes to Sirajul who coordinated the event and to Rosie our compère and to Carl and the office team. Thank you to all our parents who ran stalls and made delicious food, all of them gave all the money raised to our school. Thank you also to all our staff and pupils who made wonderful things to sell and who entertained us with dance, drumming, a fashion show and drama. We had so many people tell us how much they enjoyed the summer fayre. The entertainers were wonderful too including professional musicians from Somalia and Bangladesh and wonderful singers and dancers too! The office team will be busy counting all the money today, we will let you know how much we raised soon.

## Learning Partners

It is great to see our learners supporting each other at Mayflower. In Haring this week, learning partners were 'peer reviewing' each others writing. This means the author of the writing reads their work aloud to their learning partner and their

learning partner will give ideas on how to make it even better and help notice any errors. It's a really successful way of improving writing. Well done for sharing your learning Haring class!
